To Whom It May Concern:

Re: Dina Kamelinova

Dina Kamelinova was seen in our Institutes, in the United States from February 18, 2013 through February 21, 2013 and was diagnosed as brain injured. The staff has given the Kamelinova Family a number of programs for Dina to follow:

Patterning Program – for movement
Incline Plane – to help movement on the floor
Intellectual Program – reading program
Nutrition Program – to keep him healthy
Masking Program – to increase the oxygen to his brain

The cost for this visit for Dina was \$3,800.00 USD. The cost of the next five day visit will be \$5,465.00 USD.

Dina's next visit will be August 12, 2013 through August 16, 2013. Dina must be accompanied by both of her parents for each of these visits during which they will receive a new program.

Very truly yours,

Leland J. Green MB
